

# Privacy Policy

Sai Life Sciences Limited (“We”) are committed to protecting and respecting your privacy.

This policy (together with our terms of use and any other documents referred to on it) sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it. By visiting [www.sailife.com](http://www.sailife.com) you are accepting and consenting to the practices described in this policy.

## Processing Personal data

We may process your Personal Data as an individual client or a representative of a corporate client for the following purposes:

- Processing applications for products and services, including assessing customer suitability and performing necessary checks and risk assessments (e.g., Background Checks).
- Providing products and services including payments, transactions and completing instructions or requests.
- Monitoring and improving our website and its content.
- Conducting market research and surveys with the aim of improving our products and services.
- Sending you information about our products and services for marketing purposes and promotions.
- Complying with applicable local or foreign law, regulation, policy, voluntary codes, directive, judgement or court order, as well as any contractual obligation pursuant to agreements between any member of the Sai Life Sciences group and any authority, regulator or enforcement agency or body or any request coming from said entities.
- Establishing, exercising or defending legal rights in connection with legal proceedings (including any prospective legal proceedings) and seeking professional or legal advice in relation to such legal proceedings.
- Sai Life Sciences processes your personal data for sending in information about our products and services, answering queries posted on our website.
- Personal data requested by Sai Life Sciences are usually necessary. If it is not provided, Sai Life Sciences will be unable to comply with its legal or regulatory obligations or to provide you with the requested products and services.

## Cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. For detailed information on the cookies we use and the purpose for which we use them see our Cookie Policy.

## Uses made of the information

We use information held about you in the following ways:

- **Information you give to us.** We will use this information:
  - to carry out our obligations arising from any contracts entered into between you and us and to provide you with the information, products and services that you request from us;
  - to provide you with information about other goods and services we offer that are similar to those that you have already purchased or enquired about;
  - to notify you about changes to our service;
  - to ensure that content from our site is presented in the most effective manner for you and for your computer.

- **Information we collect about you.** We will use this information:
  - to administer our site and for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes;
  - to improve our site to ensure that content is presented in the most effective manner for you and for your computer;
  - as part of our efforts to keep our site safe and secure;
- **Information we receive from other sources.** We will combine this information with information you give to us and information we collect about you. We will use this information and the combined information for the purposes set out above (depending on the types of information we receive).

### **Disclosure of your information**

You agree that we have the right to share your personal information with:

- Any member of our group, which means our subsidiaries.
- Selected third parties including:
  - business partners, suppliers and sub-contractors for the performance of any contract we enter into with them or you;
  - analytics and search engine providers that assist us in the improvement and optimisation of our site;
  - credit reference agencies for the purpose of assessing your credit score where this is a condition of us entering into a contract with you.

We will disclose your personal information to third parties:

- In the event that we sell or buy any business or assets, in which case we will disclose your personal data to the prospective seller or buyer of such business or assets.
- If Sai Life Sciences Limited or substantially all of its assets are acquired by a third party, in which case personal data held by it about its customers will be one of the transferred assets.
- If we are under a duty to disclose or share your personal data in order to comply with any legal obligation and other agreements; or to protect the rights, property, or safety of Sai Life Sciences Limited, our customers, or others. This includes exchanging information with other companies and organisations for the purposes of fraud protection and credit risk reduction.

### **Export of Personal Data from the EEA or Switzerland**

Personal information collected in the territory of the European Economic Area (EEA) or Switzerland may be accessed in, transferred to, and/or stored at, a destination outside the European Economic Area (EEA) in which data protection laws may be of a lower standard than in the EEA. Certain countries outside the EEA have been approved by the European Commission as providing essentially equivalent protections to EEA data protection laws and therefore no additional safeguards are required to export Personal Information to these jurisdictions. In countries which have not had these approvals, (see the full list here [http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index\\_en.htm](http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index_en.htm)), we will transfer Personal Information only subject to European Commission approved contractual terms that impose equivalent data protection obligations directly on the recipient unless we are permitted under applicable data protection law to make such transfers without such formalities.

We may be granted access to Personal Information collected for the purposes set forth in this Privacy Policy. If required for the provision of the Services and subject to the limited purposes set forth herein, Sai Life Sciences may share your personal information with third party services provider, consultants or agents. Where Sai Life Sciences or third party services provider, consultants or agents are located outside of the EEA or an approved third country, any transfer of personal information will be subject to the conditions set forth above.

## **Where we store your personal data**

All information you provide to us is stored on our or third party secure servers. Unfortunately, the transmission of information via the internet is not completely secure. Although we will do our best to protect your personal data, we cannot guarantee the security of your data transmitted to our site; any transmission is at your own risk. Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access. We will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this privacy policy.

## **Your rights**

You have the right to ask us not to process your personal data for marketing purposes. We will usually inform you (before collecting your data) if we intend to use your data for such purposes or if we intend to disclose your information to any third party for such purposes. You can exercise your right to prevent such processing by checking certain boxes on the forms we use to collect your data. You can also exercise the right at any time by contacting us at [dpo@sailife.com](mailto:dpo@sailife.com).

Our site may, from time to time, contain links to and from the websites of our partner networks and affiliates. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that we do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data to these websites.

## **Access to information**

The Act gives you the right to access information held about you. Your right of access can be exercised in accordance with the Act. Any access request will be subject to a fee to meet our costs in providing you with details of the information we hold about you.

You also have a right to require any inaccuracies in your information to be corrected free of charge. You can ask us to modify your details by sending an e-mail to [dpo@sailife.com](mailto:dpo@sailife.com).

## **Changes to our privacy policy**

Any changes we make to our privacy policy in the future will be posted on this page and, where appropriate, notified to you by e-mail. Please check back frequently to see any updates or changes to our privacy policy.
