Information Security Policy

Version: 00

Date: 07 June 2021

At Sai Life Sciences, information assets of the organization, customers and stakeholders shall be protected from all identified threats, whether internal or external, deliberate or accidental, such that:

- Confidentiality is maintained.
- Integrity of information can be relied upon.
- Availability of information is ensured.
- Risks are managed with reference to information security, cyber security and physical security.
- IT Security related compliance is ensured in all matters concerning legal, regulatory, statutory, and contractual requirements of interested parties.*
- Breaches are avoided from internal and external sources.
- The values and brand image of Sai Life Sciences stay protected.

***Interested parties:** Customers, Shareholders, Employees, Government agencies, Regulatory bodies, Emergency Services (Police, Ambulance, Firefighters, etc.), Employee families, Media, Suppliers, Contractors, Outsourced Partners, Publishers, Service Providers.
